<b>PRECONTRACT APPROVAL RECORD</b> (PART TWO)	CONTRACT <b>GA-1853</b>
<p style="text-align: center;"><b>25X1A</b></p> <p>The services and equipment being procured by <u>Contract No.</u> <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span>   <u>GA-1853</u> are in furtherance of the <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span> _____</p> <p>Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.</p> <p>Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.</p> <p>The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:</p> <p><b>25X1A</b>      This Amendment No. 9 to Contract No. GA-1853 provides for an additional 288 man-hours of <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span> over a one month period beginning 9 November 1964. <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span> is obligated to cover this additional work increasing the total funds in this contract from <span style="border: 1px solid black; display: inline-block; width: 50px; height: 1em; vertical-align: middle;"></span> to <span style="border: 1px solid black; display: inline-block; width: 50px; height: 1em; vertical-align: middle;"></span></p> <p><b>25X1A</b>      Funds are available in Category II of the FY-65 ASD budget.</p> <p><b>25X1A</b>      Dist:  <input checked="" type="checkbox"/> Original - Return to <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span>            1 - CD/OSA            1 - B&amp;F/OSA  <span style="border: 1px solid black; display: inline-block; width: 150px; height: 1em; vertical-align: middle;"></span> let/1 December 1964</p>
